Dear Beth, Anna & Future for Kids,

Thank you for your pledge to work with the students of Arthur M. Hamilton both in the past and in the future. I know that the students who participate in your program look forward to their sessions with you. I enjoy knowing extra-curricular and community services for our students can be found right here on our campus! I am so glad that you are a part of that!

This letter serves as a small token of gratitude for your service contributions during the 2014 - 2015 school year. I felt the need to share with you our appreciation for the time, consideration, relationships and curriculum that you have shared with our school and students.

As I am closing out my first year as Principal of Hamilton School, I just wanted to take a final moment to express my thanks at all that you have done and given to the students and community of Arthur M. Hamilton Elementary. I wish all of you much success in the future and hope to partner with you for another round of "Discover Your Future" during the 15-16 school year!

Take care,
