Re: Future for Kids

Dear Ms. LaPlante:

The Housing Authority of Maricopa County has been in partnership with Future for Kids since 2011. The partnership includes working with HAMC children in the Mesa, Phoenix and Guadalupe public housing sites. The Future for Kids program serves 25 children a week.

The partnership also includes an opportunity for public housing residents to gain work experience in child development. Future for Kids provides the training and education for interested public housing residents.

The Housing Authority of Maricopa County looks forward to a continued partnership with Future for Kids. The program provides excellent services and resources for our families.

Sincerely,

Gloria Munoz  
Executive Director
