Be the One.

Valley of the Sun United Way has served individuals and families in Maricopa County since 1925. Join United Way to build a stronger community where each person has the opportunity to achieve the aspirations we all share: a good education for our kids, a safe place to live, food on the table, and the security that comes with financial independence.

Ensure Children and Youth Succeed

We believe all children and youth deserve every opportunity to succeed. Your donation supports programs that ensure children enter school prepared to learn and that youth receive the support they need to graduate high school and move on to college and career.

End Hunger and Homelessness

Your support helps provide the most basic needs for individuals in our community, such as housing, food and access to support services like counseling, basic health care and job placement.

Increase Financial Stability

Your support is moving families and individuals to greater financial self-sufficiency. We provide job skills and financial literacy education while eliminating the barriers to affordable childcare and adult education opportunities.
